By Car

Reading has many one-way streets and some with pedestrian access only. We suggest that visiting motorists unfamiliar with the town centre will find it best to use the Queens Road car park shown on the map.

From the East

Exit the M4 at junction 10 (signposted to Reading East), joining A329M towards Reading. At the junction with the A4, continue following signs towards Reading. Continue along London Road over the major junction with Kings Road and Wokingham Road. Turn right into Sidmouth Street. At the end of Sidmouth Street, turn left at the traffic lights onto Queens Road. Queens Road Car Park is located at the next turning on the right-hand side.

From the West

Exit the M4 at junction 12 (signposted to Theale, Reading, A4), joining the A4 towards Reading. Continue along the A4 for two and half miles along the Bath Road (A4), until the junction with Berkeley Avenue. At the bottom of Castle Hill, join the Inner Distribution Road, heading south and signposted to London. Continue for half a mile onto Queens Road. Queens Road Car Park is located at the next turning on the left-hand side.

On foot from Queens Road car park

There is a footbridge leading from Queens Road to Kings Road. Turn left onto Kings Road. Kings Reach is a large blue building and is located on the left-hand side after walking across the footbridge.
